INTERNATIONAL BUSINESS PROGRAM SENIOR HIGH SCHOOL

St. Robert's International College Basic Education Department- IBP-SHS (SMC) operates through the Open High School Program (OHSP) and Modified In-School Off-School Approach (MISOSA) which is an alternative delivery mode offered to all learners inside and outside the Philippines. This is an academic program in conjunction with the K-12 Curriculum for learners who can adapt with varied mode of instruction like face to face, modular, independent learning or via online learning system. SRIC has secured and authorization for this operation from the DepEd Regional Office with document number RO-6 QAD-I- 176.

What sets us apart?

With Robertine SHS, students are not only ready for employment right after high school - they're also positioned to seamlessly advance in digital engineering studies online with RMUT.

- At St. Robert's International College (SRIC), our Robertine Senior High School Program uniquely blends flexibility, excellence, and international credentials. Delivered through DepEd's Alternative Delivery Modalities (ADM), our program adapts to each student's learning style - ensuring they graduate just as empowered and prepared as their on-campus peers.

- Our cutting-edge **Digital Engineering modules**, backed by **TESDA-funded ISO 17024 certification** from German Cert - a global badge of personal competence.
- These certifications are not just diplomas - they're **real-world job tickets** and **university stepping stones**, micro-credentialed with **up to 18 university credits** from **Rajamangala University of Technology (RMUT)**.
